

CARITAS TASK

Level Two

QUESTION FIVE

- Link a message from a Church document or a scripture quote, which informs the actions of Caritas and links to one or more CST principles.
- An explanation of how the work of Caritas in working with those badly affected by climate change is linked to their mission statement and strategic goals. (Mention of the first strategic goal of Caritas: to reduce poverty, or the second strategic goal: to promote environmental justice.)

QUESTION SIX

- *Caritas believes in the ethical principle of human dignity. This is shown by the way they spend time building relationships with communities and asking local people what they need. This has a positive impact on the lives of those they work with....*

QUESTION SIX

and asking local people what they need. Because they work in this way, people feel empowered. If they didn't work in this way, people might feel disempowered or neglected.

QUESTION SIX

- What might happen if Caritas worked in a way which ignored the principles of human dignity, participation or subsidiarity?

QUESTION SEVEN

- These actions and the implications.
- Implication for me personally,
- Implication for the future of the planet and implication for those living on low-lying Pacific atolls.
